

## Nature Eco Ventures closes investment in Suventure Services

**Bangalore, India (Monday, Nov 5<sup>th</sup> 2013)** – A little less than a year on from launch, Suventure Services announces the closing of funding from Nature Eco Ventures (NEV).

Suventure Services, an IT services organization, kicked off operations in Jan 2013 and has seen prolific growth in the last 9 months of its existence. Suventure has shown strong progression in global markets with acquisition of several customers delivering complex IT services across industry verticals.

“We are impressed with the team behind Suventure, their service offerings and track record they have built already,” remarked Alok Sharma, CEO of NEV. “Suventure is building solution based next generation services organization that is scalable and is indeed creating long term value.”

Vir Bhanu, CEO and Managing Director of Suventure services said, “We are in a growth phase and the fresh investment from NEV enables us to accelerate our pace of growth. We would be further investing in competency building, increasing our service offerings, and scaling our business development initiatives across US and European markets.
